

## PRIVACY POLICY

This policy and its contents are prepared and owned by MOVE ON TEKNOLOJİ A.Ş. ("MOVE ON").

Copying, using, sharing with third parties, disclosing and reproducing all or part of its content is subject to the prior written approval of MOVE ON.

### **Purpose**

The purpose of this Privacy Policy ("**Policy**") is to protect the data of users ("**User/Member**") of the platform.moveon.ai and/or mobile application (collectively referred to as the "**Platform**") services and/or any of our resources operated by MOVE ON and to create mutual trust by providing transparency in this regard.

This Privacy Policy ("**Policy**") relates to your data processed by MOVE ON when you open and/or use the Platform, download an application.

### **Why your data is necessary ;**

Your data is collected for the following purposes;

- To enable you to benefit from the services provided on the Platform within the scope of your membership,
- To fulfill our obligations in accordance with the legislation and sub-regulations,
- Store for your future interactions and communication
- To be able to offer suggestions to the User by our contracted institutions and solution partners and to inform the User about our services.

If we process your data for any other purpose other than those listed above, we do so within the legal framework and/or within the scope of the Personal Data Protection and Processing Policy.

### **What Kind of Data We Collect**

If you become a member of the Platform, we collect data as follows.

- Your information in the forms filled in by you (name, surname, e-mail, telephone number, province, country, and information provided by you, including but not limited to the foregoing)
- Details of your visit to the Platform (including, but not limited to, data such as your field location data and other contact data)
- Your personal data required for the services we can offer you.

### **Your Rights in relation to your data**

We attach utmost importance to the security of your personal data in our personal data processing activities carried out by MOVE ON in accordance with the law within the scope of the services provided by MOVE ON. In this context, you can obtain information about your personal data, update them and, if legally possible, request their deletion.

### **Information Security Considerations**

MOVE ON is committed to ensuring the confidentiality of the information it collects within the framework of the following basic rules;

- The information required to fulfill the Platform services and needed for the services provided is received and stored from our members.

- Unless under legal obligation, User information is not shared with any third party or organization without their consent.
- User information may be disclosed within the framework of legal regulations if requested by regulatory bodies, judicial and executive authorities.
- Necessary security measures are taken on information systems to prevent unauthorized access to user information.

### **Our Notice Regarding Policy Changes**

In the event that the content of this Policy changes or there are new additions, the latest updated policy will be presented on the Platform in order to provide transparency to our Users, to inform them how we collect data and for what purpose we use it.
